The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflamation, heals and soothes and cures permanently by enabling the lungs to contribute pure lifegiving and life-sustaining oxygyn to the blood and tissues. Dr. Armstrong, of Delia, Tex., prescribes it daily and says there is no better cough remedy made. Sold by all druggists.
